

Grade 6 Patterning and Algebra

Ontario Educational Resources Bank (OERB) Activities

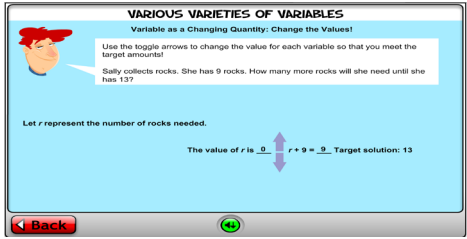

Patterns and Relationships

Activity	Description
<p style="text-align: center;">Demystifying Patterns</p>  <p style="text-align: center;">Resource ID: ELO1413400</p>	<p>Build understanding of the relationship between representations by using a graph, a table of values and a pattern rule in words.</p>

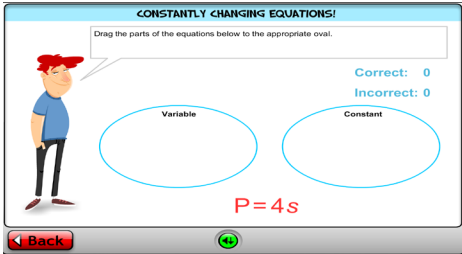

<p style="text-align: center;">Number Patterning with Patty</p>  <p style="text-align: center;">Resource ID: ELO1411730</p>	<p>Practise representing growing patterns by using a table of values, ordered pairs, a graph and a pattern rule in words.</p>
---	---

<p style="text-align: center;">Patterning With Professor Patrick</p>  <p style="text-align: center;">Resource ID: ELO1411770</p>	<p>Build understanding of growing patterns by using a graph, a table of values and a pattern rule in words to extend the pattern.</p>
---	---

Variables, Expressions and Equations

Activity	Description
<p style="text-align: center;">Variables Part 1 - Various Varieties of Variables!</p>  <p style="text-align: center;">Resource ID: ELO1413420</p>	<p>Build understanding of two ways that variables are used in mathematics by determining an unknown quantity or a value that may change in an expression or equation.</p>

Grade 6 Patterning and Algebra
Ontario Educational Resources Bank (OERB) Activities

Variables, Expressions and Equations (Continued)	
Activity	Description
<p style="text-align: center;">Variables Part 2 - Constantly Changing Equations</p>  <p style="text-align: center;">Resource ID: ELO1413430</p>	<p>Build understanding of the different parts of an equation including variables and constants by changing the values within the equation to see how that affects the value of the solution.</p>
