

Grade 4 Geometry and Spatial Sense Ontario Educational Resources Bank (OERB) Activities

Geometric Properties	
Activity	Description
<p style="text-align: center;">Constructing Three-Dimensional Figures from Nets</p>  <p style="text-align: center;">Resource ID: ELO1410710</p>	<p>Build understanding about the difference between a prism and a pyramid by investigating and then answering questions about the properties of each figure.</p>
Location and Movement	
Activity	Description
<p style="text-align: center;">Canadian Natural Resources Grid Challenge</p>  <p style="text-align: center;">Resource ID: ELO1410680</p>	<p>Build understanding of location on a grid by investigating and identifying the location of Canada's natural resources.</p>
Transformations	
Activity	Description
<p style="text-align: center;">Congruent Shapes</p>  <p style="text-align: center;">Resource ID: ELO1410670</p>	<p>Build understanding of transformations by analyzing geometric art and identifying congruent shapes within the art.</p>
<p style="text-align: center;">Mastering Reflections</p>  <p style="text-align: center;">Resource ID: ELO1410690</p>	<p>Build understanding of the rules of reflection by identifying and creating accurate reflections on a grid.</p>
